

About this Privacy Policy

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online. PII, as described in privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our website and when?

We collect information from you when you register on our site, place an order, subscribe to a newsletter, fill out a form or enter information on our site.

How do we use your information?

We may use the information we collect from you in the following ways:

- (a) To send periodic emails regarding your order or other products and services.
- (b) To follow up with you after correspondence (email or phone inquiries).
- (c) To charge, send and deliver your orders.
- (d) To consider feedback and complaints that you may make to us.
- (e) To undertake data processing, data analysis, market research or trend analysis

How do we protect the information we receive?

Our site is reviewed on a regular basis for security vulnerabilities in order to make your visit to our site as safe as possible.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology. We do not store credit/debit card information on our systems.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use ``cookies``?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information.

We use cookies to help us compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third party services that track this information on our behalf.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Internet Explorer) settings. Each browser is a little different, so look at your
